

HP ENVY x360

Want the power of a laptop with the flexibility of a tablet? Look no further than the HP ENVY x360 13.3" 2 in 1 Laptop.

The 360-degree hinge lets you fold the device from a laptop position into a tablet. In laptop mode it's easy to work on projects and edit documents. But if you're just browsing online or watching a show on the train, tablet mode has you covered.

Built for power

Powered by a Ryzen 5 processor, the HP ENVY x360 is perfect for multitasking. Able to handle any application, from video editing suites to CAD programs, it delivers smooth performance no matter what you're working on.

Cinematic experience

Enhance your entertainment with excellent picture quality on the ultra-bright Full HD display, and listen to crisp sound with speaker technology from Bang & Olufsen for a full experience that you can lose yourself in.

Microsoft Office & internet security

If you use Word or PowerPoint all the time at work or school, you'll probably want it on your laptop at home. Click on the Bundles tab above for a great deal on Microsoft Office. Want to protect yourself against viruses? We've got you covered with deals on internet security too
