

HP P34hc G4 Curved Monitor

Immerse yourself in this 34"(86.36 cm) diagonal curved display with sharp WQHD resolution and an integrated speaker. And with all that space available, you'll see more in one screen, making this monitor ideal for multitaskers and those that want to increase productivity.

Now you can focus more on your work instead of the nest of cables on your desk. Because one USB-C cable not only transfers data and video, it also charges your PC, you can say goodbye to cord clutter.

No matter how many great features a monitor may have, if you can't position it comfortably, your productivity may suffer. That's why ergonomics is so important. Rest assured, with adjustable height, tilt and slide settings, you'll be able to find the screen position that's most comfortable for you.

Feel good about what's on your desk while benefiting from efficient energy performance. This responsibly made curved monitor is ENERGY STAR certified, TCO certified and EPEAT registered.
