## Microsoft Surface Selection

### Microsoft Surface Pro 8

More powerful than ever, the Surface Pro 8 features a powerful processor, improved battery and graphics, and more multitasking connections.

### Microsoft Surface Laptop 4

The Surface Laptop 4 fuels your ideas and reflects your style with a thin, light design. Whether you're creating, catching up or chilling out, Surface Laptop 3 gives you more power, robust processors, greater multitasking & performance.

### Surface Go 3

Perfectly portable, with a bigger 10.5" touchscreen, better resolution and long battery life, designed to keep up with you and your family.

### Surface Go

Count on the Surface Duo to run day-to-day software and apps, with a powerful processor and several hours of battery life. It instantly adapts for home, travel & everyday tasks. More than a phone

### Microsoft Modern Wireless Headset

Stay focused and connect seamlessly to your Surface or other Windows 10 PC with the Certified for Microsoft Teams wireless headset that makes calls and productivity comfortable and reliable.

### Microsoft Wireless Arc Mouse

This flat Microsoft mouse combines great design with professional functionality. Make use of the touch pad to scroll.
